

# COUNSELLING

The Institute places a great deal of importance upon Counseling as a mode of interaction between the faculty and the respective counselees. The Counsellor is a friend, a guide and a person who is genuinely concerned about the individual needs of the officer trainees.

Each trainee is attached to a Counsellor for closer interaction, facilitation of training and advice on personal matters. Formal counsellor group meetings will be scheduled in the timetable. However, informal meetings with the counselor are also welcome. The trainees are expected to be in close association with their counselor and establish an effective rapport. This will enable the Counsellor to give individual attention to each of her /his counselee, besides crystallizing the learning points for the officer trainee.

Each officer trainee will be expected to write a **weekly learning log** and send to their counselor by e-mail every Monday. Learning Log provides an opportunity to reflect upon new learning and is also a record of continuing professional development.
