

ASSESSMENT AND EXAMINATIONS

The Foundation Course aims at enhancing professional knowledge, providing job oriented skills, inculcating esprit de corps, and building appropriate attitudes and values. We try to achieve these objectives through a harmonious blend of academic and extra-curricular inputs. We expect the course will help the Officer Trainee not only to acquire more knowledge and professional skills, but also to imbibe officer like qualities and understand the administrative environment. Regular evaluation of these qualities would form part of our duties.
