Press Release

Dr MCR HRD Institute Awards e-Learning Program Completion Certificates to Civil Service Trainees

Dr MCR HRD Institute awarded certificates to 125 All India Services and Central Civil Services officers, attending the 92nd Foundation Course, who successfully completed 15 e-Learning Modules, designed by Department of Personnel and Training (DoPT), Government of India, New Delhi. The certificates distribution function was attended by senior officials of the Institute and the DoPT.

Continuous Learning-A Sine Qua Non

Sri K. Srinivas, IAS, Joint Secretary, DoPT, who was the Guest of Honour at the event, said that a whopping about two crore employees are on the rolls of Central and State Governments and the nature and quality of their performance depends heavily on the quality of leadership provided by the civil servants. Continuing his address, he called upon the trainee civil servants to learn and perfect the art of administration, on a continuous basis, in order to keep their skill sets current and up-to-date, which is an important prerequisite to emerge as successful leaders. He stated that civil servants are required to respond to the expectations and aspirations of people; at a fast pace, considering the mind-boggling changes that have been taking place at the place of work and the society at large. He added that civil servants are always on the radar of the print and social media and in this challenging and transparent scenario, addressing the concerns of all the stakeholders in an expeditious fashion assumes great significance.

A Multiplier Effect on Learning Culture

Sri B P Acharya, IAS, Spl. Chief Secretary Planning & Director General, Dr. MCR HRD Institute said that the e-learning modules will be greatly instrumental in enriching the quality of soft skills which are equally important not only for employees at the lower but also at middle and top rungs of organization hierarchy. He said that Telangana State is leading among all the six States, chosen by the Government of India, in terms of achieving the target of imparting soft skills to over 10,000 employees at the cutting edge level. He stated with a sense of pride that all efforts are being made to take this number to a staggering 20,000 before the end of March 2018. He added that the completion of the e-Learning modules by a large contingent of head masters, as high as 6,000, has got a multiplier effect on the learning culture among the teachers and students at large across the length and breadth of the State.
