

A painting of a village scene. In the foreground, a bullock cart pulled by two white oxen is moving along a dirt path. Several people are seated in the cart. In the background, there is a white-washed house with a thatched roof. A woman in a red sari stands near the doorway. To the right, a group of chickens is pecking at the ground. The scene is set in a rural, hilly area with green foliage and a blue sky.

				Loan facilities			

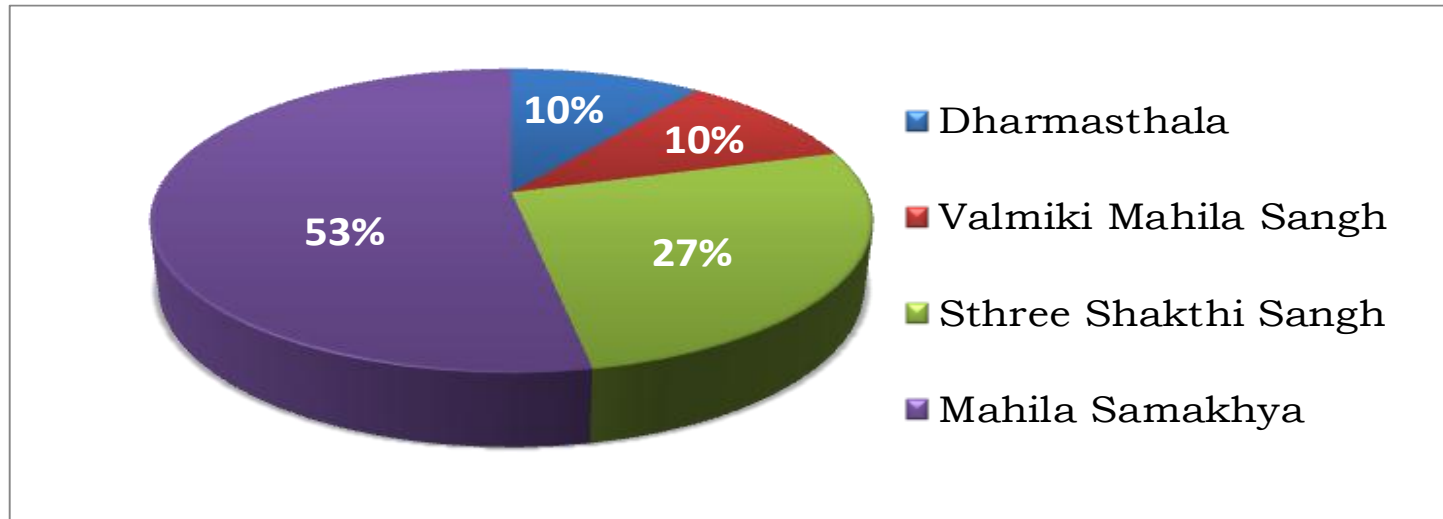

Satisfaction Survey of Basic Services

Women & SHGs

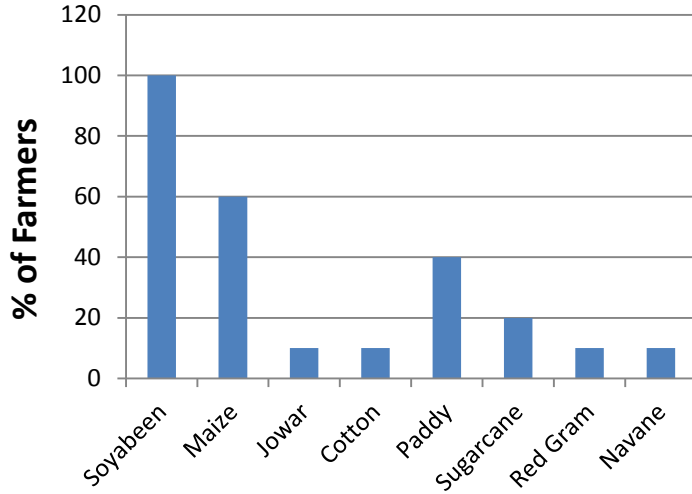

- ❖ No. of SHGs - 4
- ❖ Total No. of members - 117
- ❖ Interest rate on loans - 2 to 9.5%
- ❖ Activities of these SHGs
 - Papad & pickle making
 - Marketing vegetables, bangles & stationery items
 - Promoting awareness on education, sanitation, health & nutrition.
- Major problem – marketing the products outside the village

Membership pattern of different SHGs

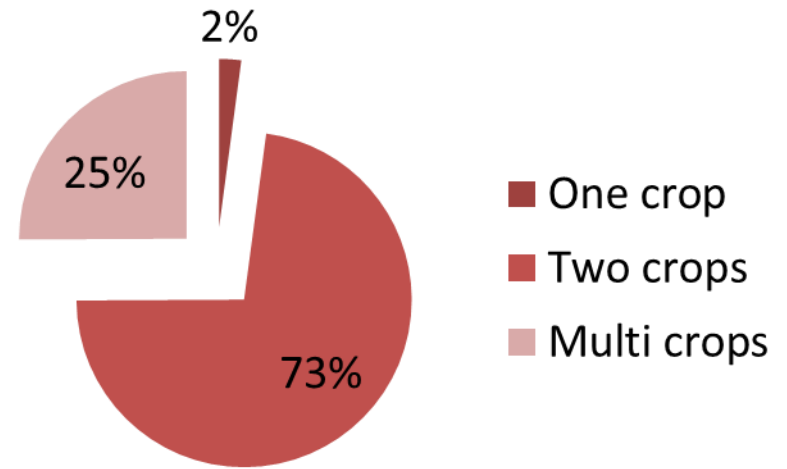

Agriculture & Land Holdings

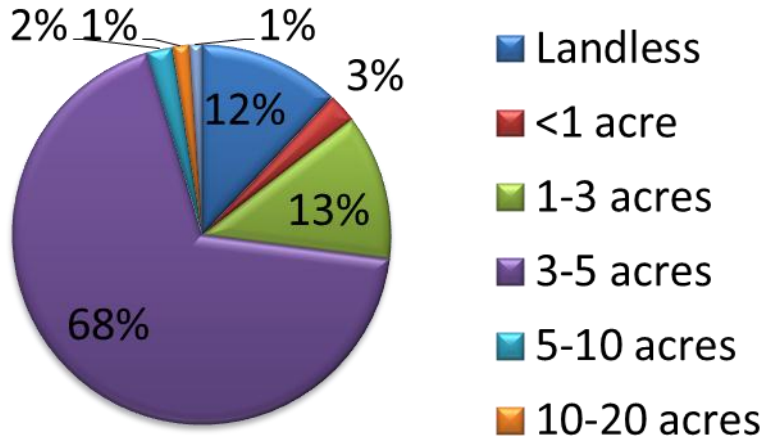

Priority of crops cultivated

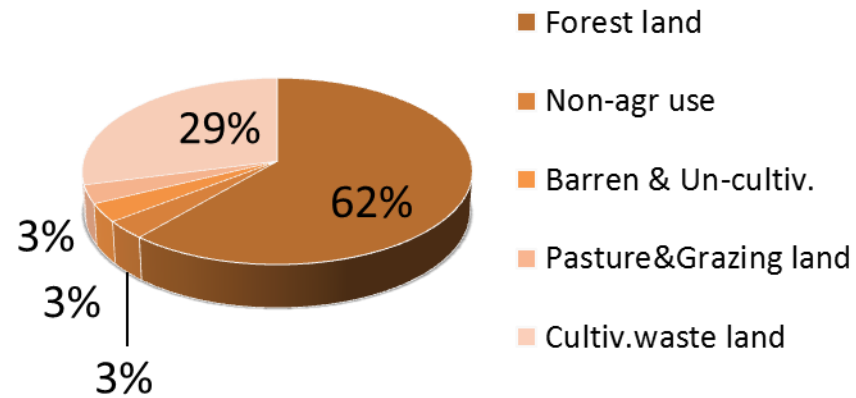

Crop Pattern

Distribution of land ownership

Type of non-agri. land

Impact Analysis

Agr. Extension Services

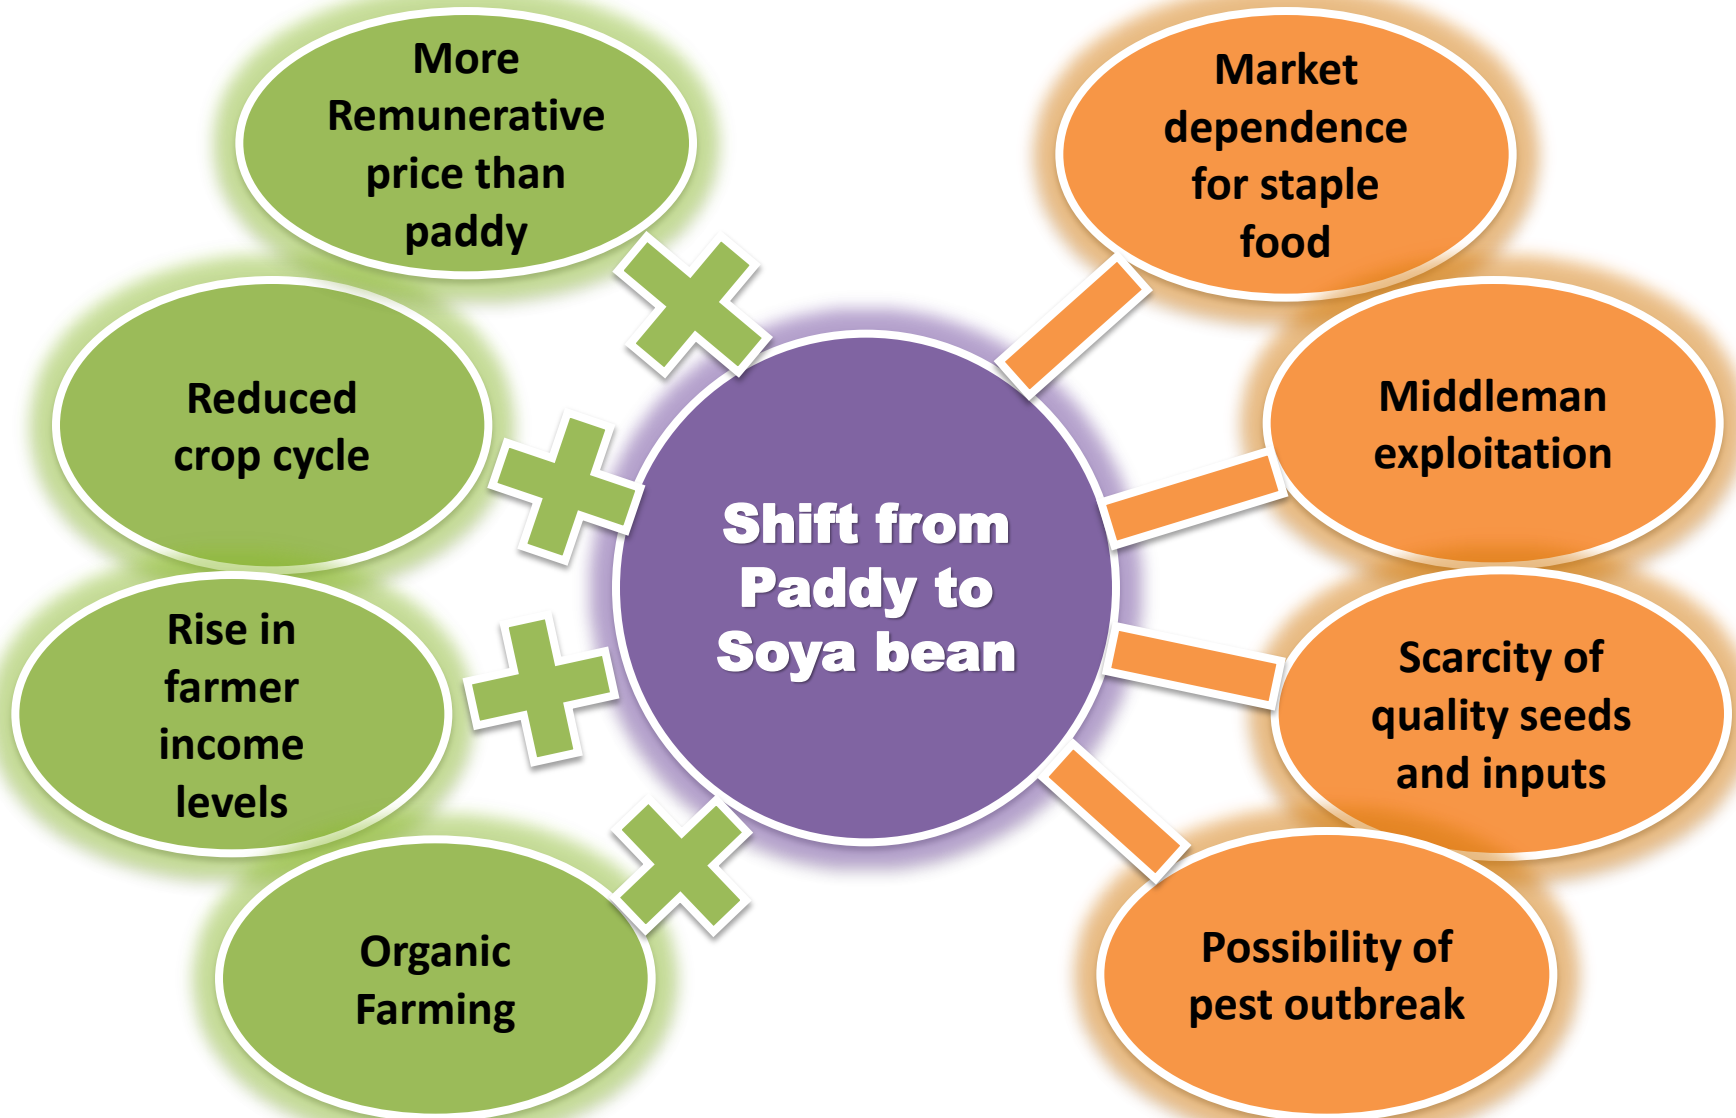

Nature of Impact

- Extensive use of mechanization e.g. Tractors, Threshers, Grass-cutters, Crushers, mouldboard ploughs etc.
- 100% consensus on Organic Farming
- Scientific cropping – multi-cropping
- Drip irrigation for horticulture crops

Positive Effects

- Rise of commercial crops like soyabean, maize, flower crops, vegetables etc.
- Reduction in farm expenditure
- Effective soil health & nutrient management
- Mitigation of climate change vulnerability

Impact Analysis

Success Story

Lessons for Sustainable Agriculture

Story of Sri. Ajith Padmakar Jinnamanavar

Issues & Concerns expressed by the people.....

- Roads and Drainage system
- Sanitation
- Higher education
- PHC and healthcare services
- Agriculture

People's expectations & their solutions

- All weather approach road and concrete street roads.
- Sanitation (community toilets).
- Improvement of healthcare services & setting up of PHC.
- Improvement in School.
- Sustain the momentum towards organic farming.
- Support for the small and marginal farmers.
- Strengthen the marketing facilities & involve local SHGs as future entrepreneurs.
