- Broad framework of Participative Learning Approach (PLA)
 1. Transact Walk
 2. Social and Resource Mapping
 3. Preference Ranking
- Focussed Group Interview (FGI)

Secondary Sources:

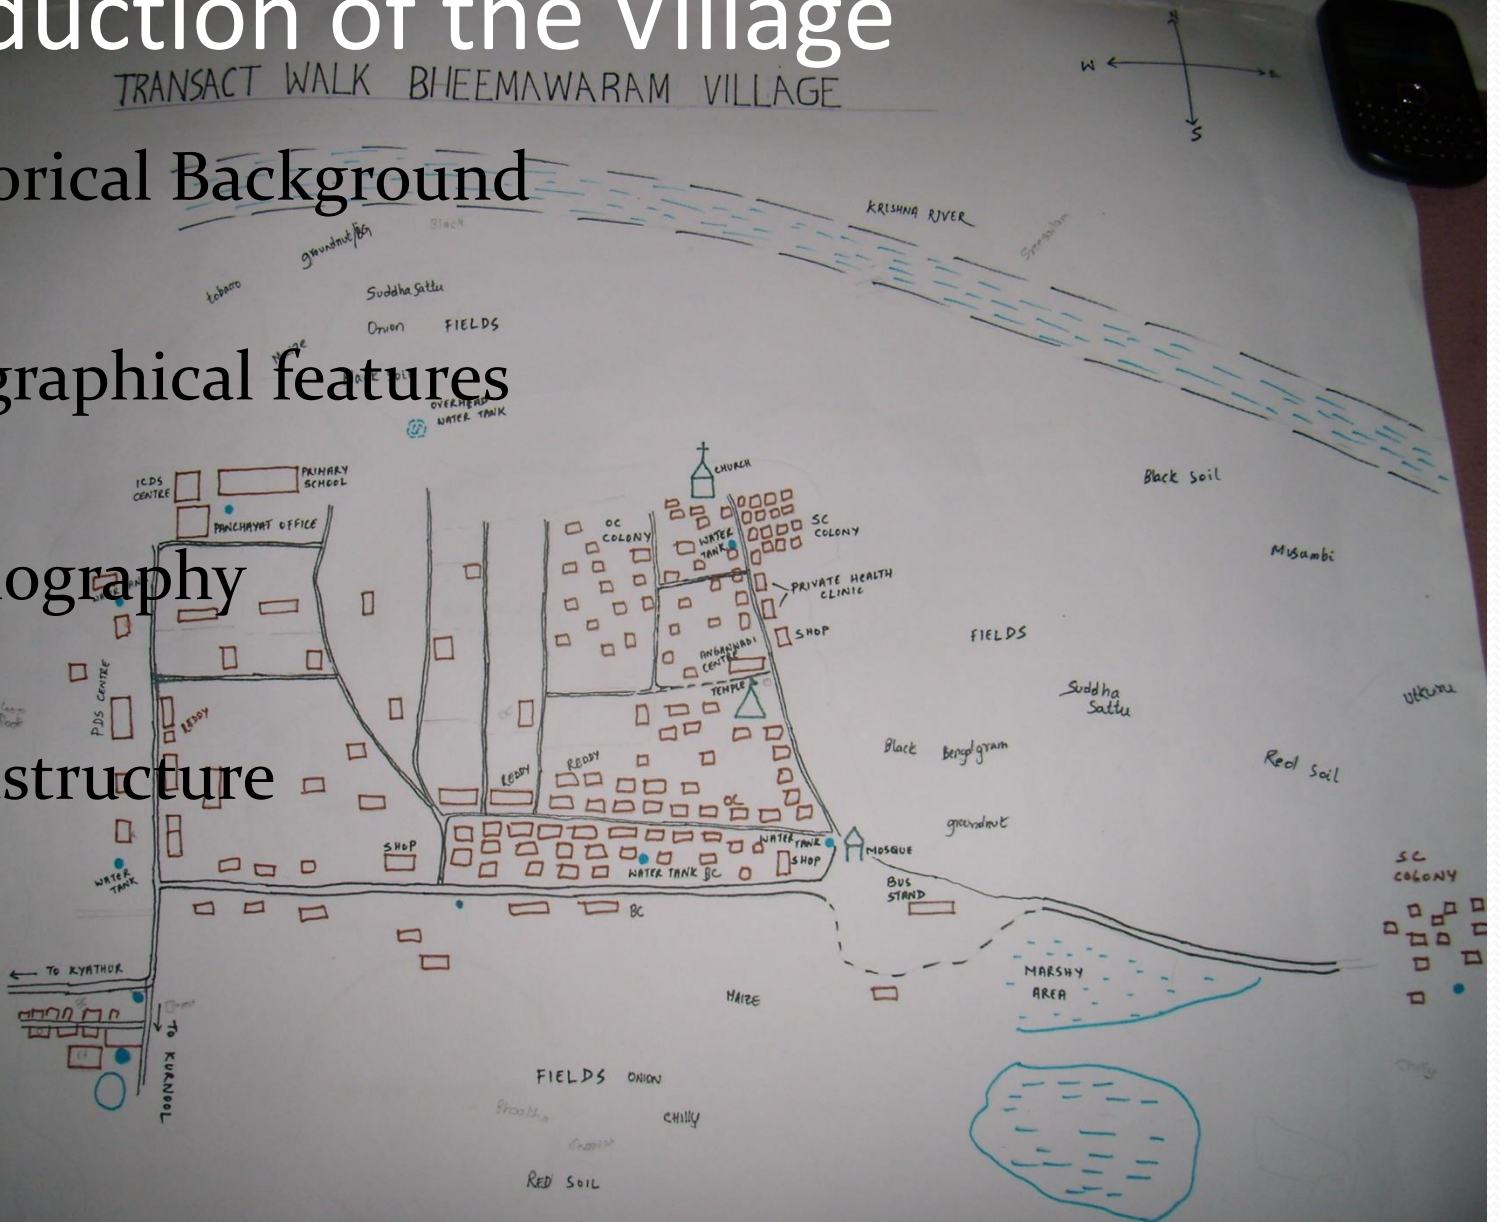

- Official Data and Documents

Introduction of the Village

TRANSACT WALK BHEEMAWARAM VILLAGE

- Historical Background
- Geographical features
- Demography
- Infrastructure

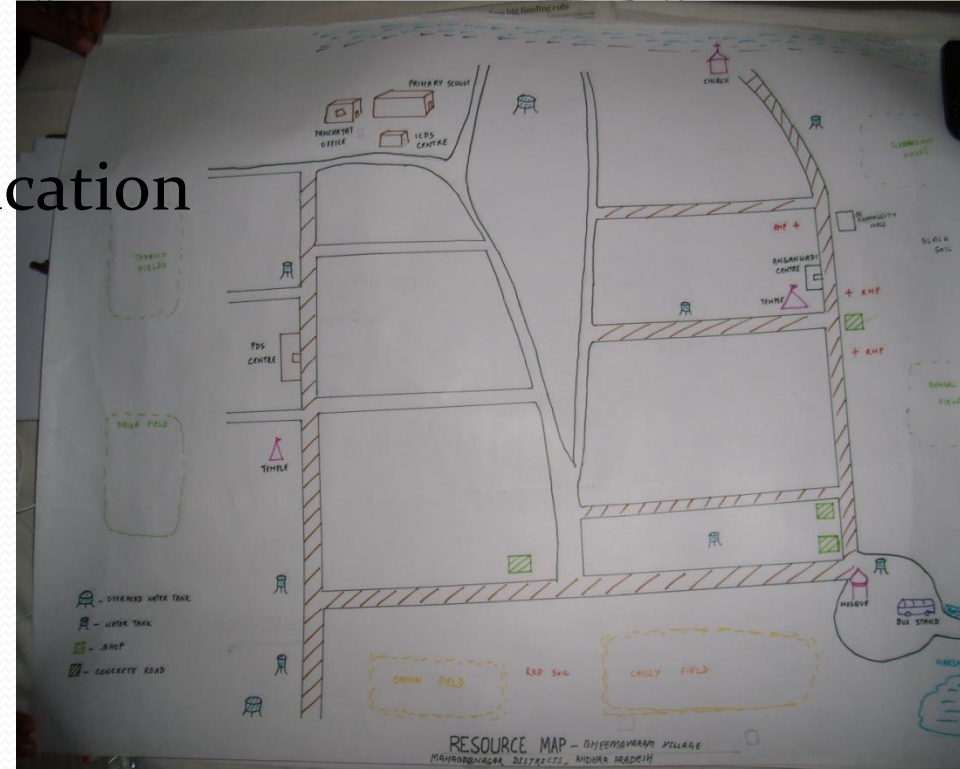

Economic Scenario

- Agriculture and Allied Activities
- Land Distribution and Reform
- Seasonal Unemployment
- Poverty

Social Scenario

- Education
 - Role of Aanganwadi
 - Primary Schools
 - High School
 - Colleges and Higher Education
- Sanitation
 - Nirmal Bharat Abhiyaan
 - Group Toilets

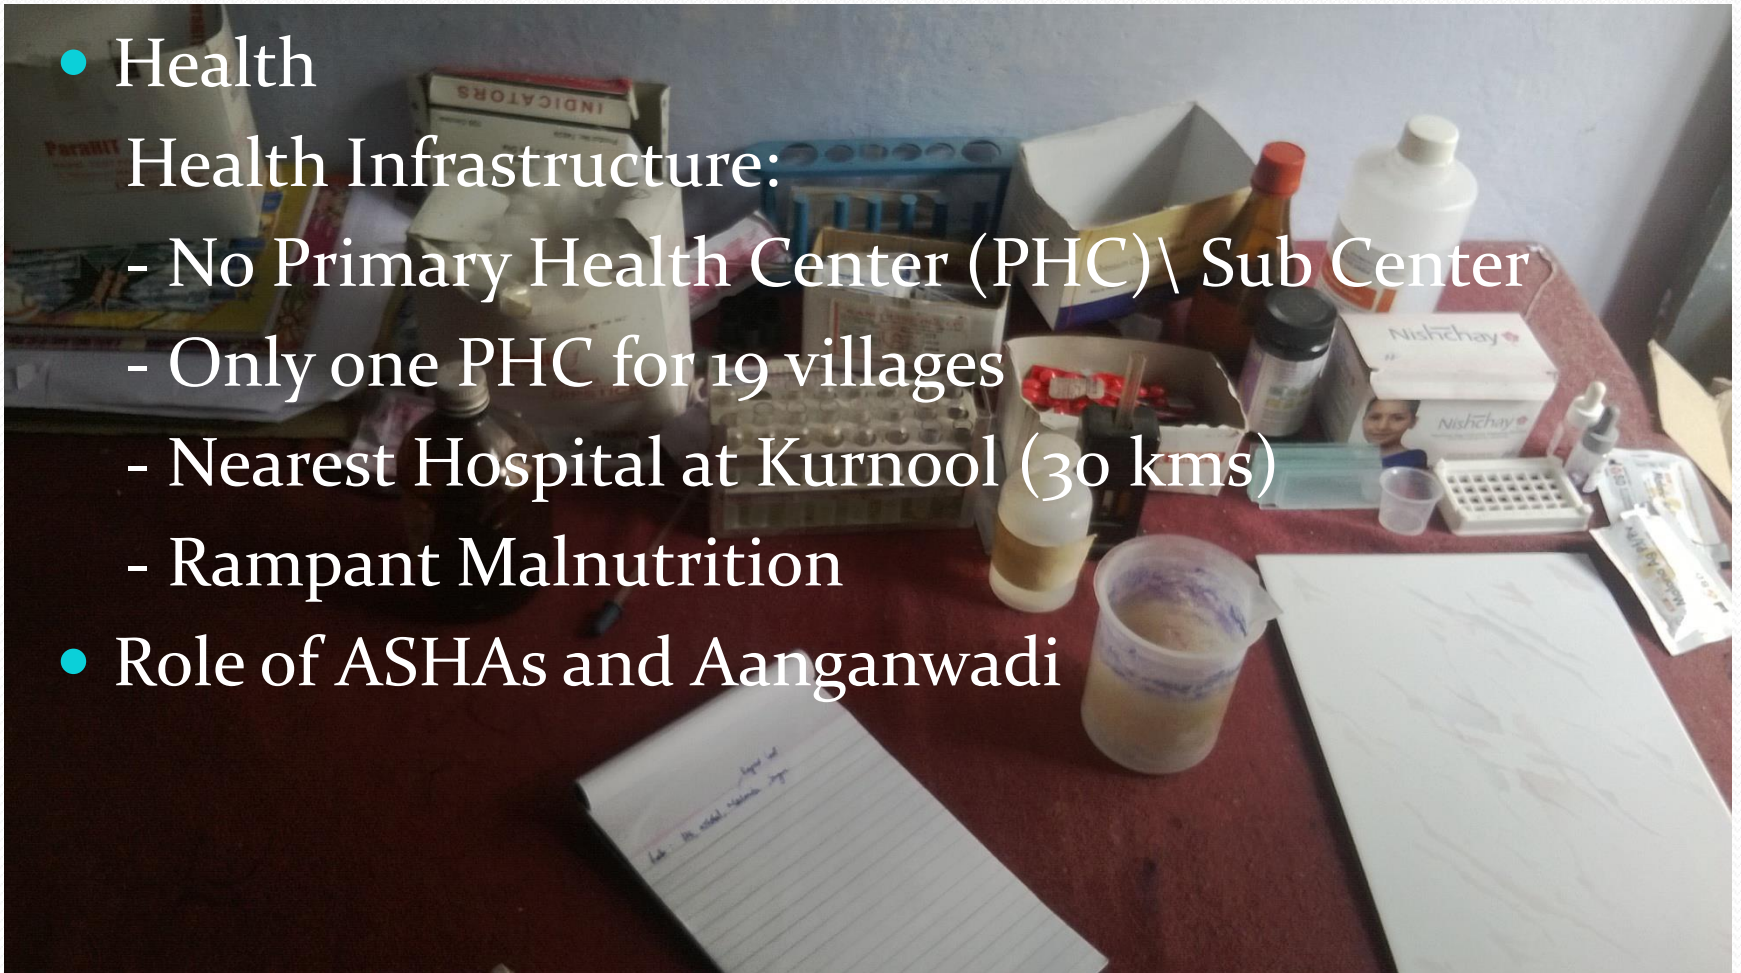

Social Scenario contd...

- Health

Health Infrastructure:

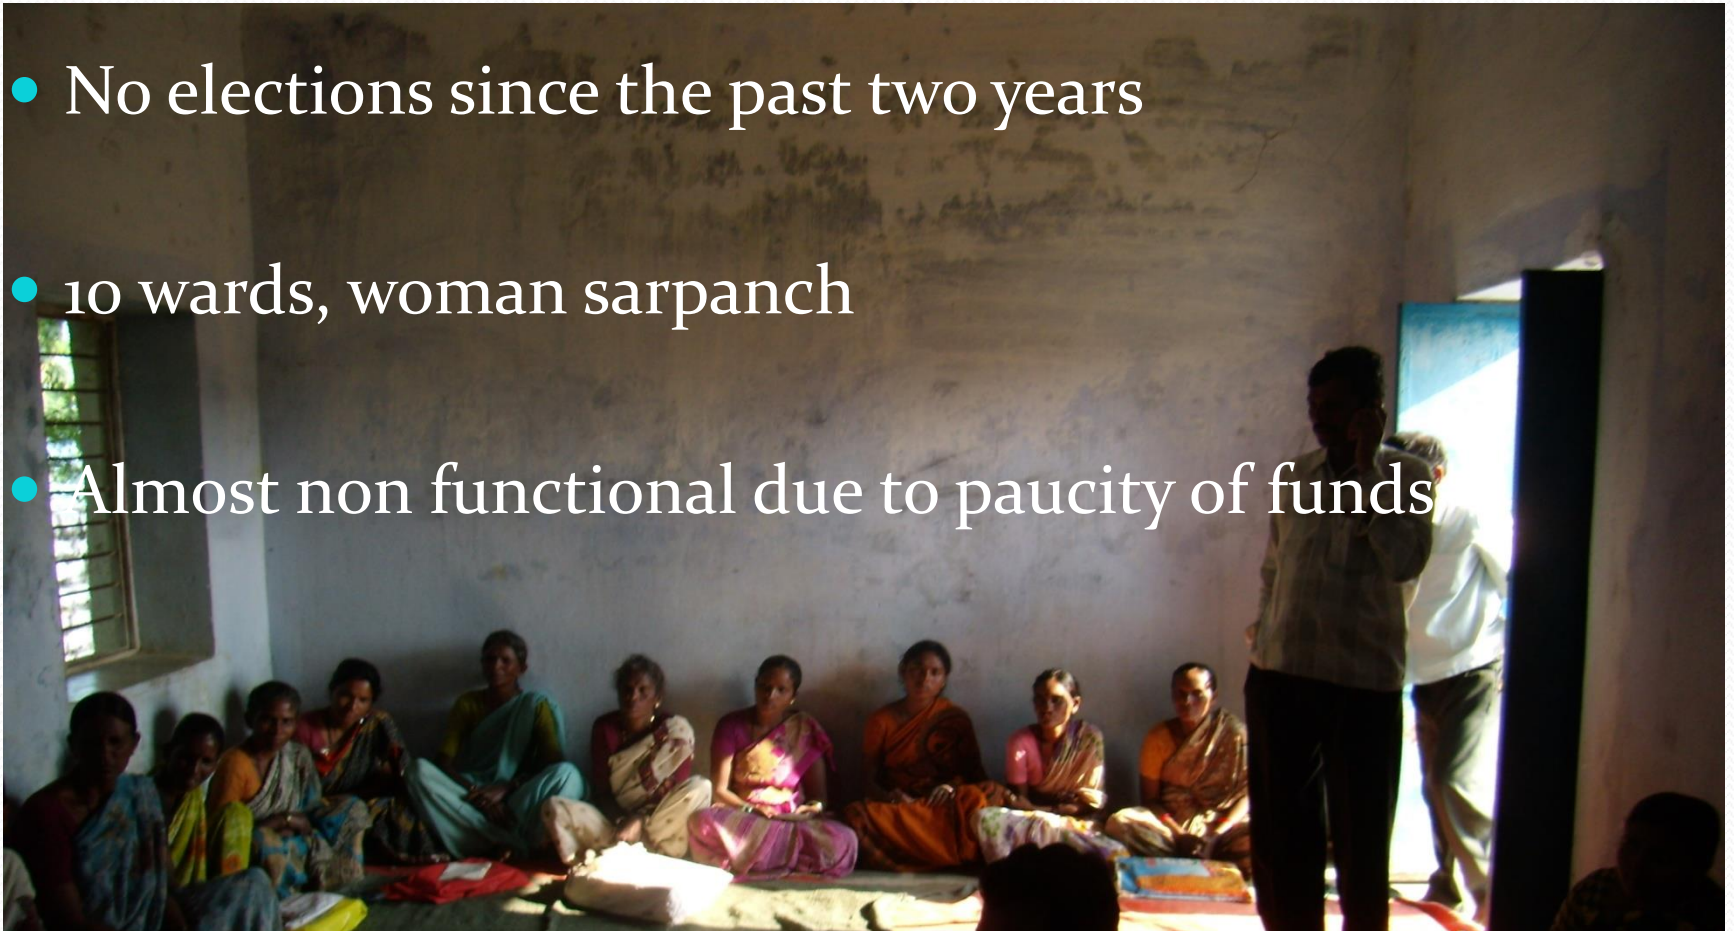

- No Primary Health Center (PHC)\ Sub Center
- Only one PHC for 19 villages
- Nearest Hospital at Kurnool (30 kms)
- Rampant Malnutrition

- Role of ASHAs and Aanganwadi

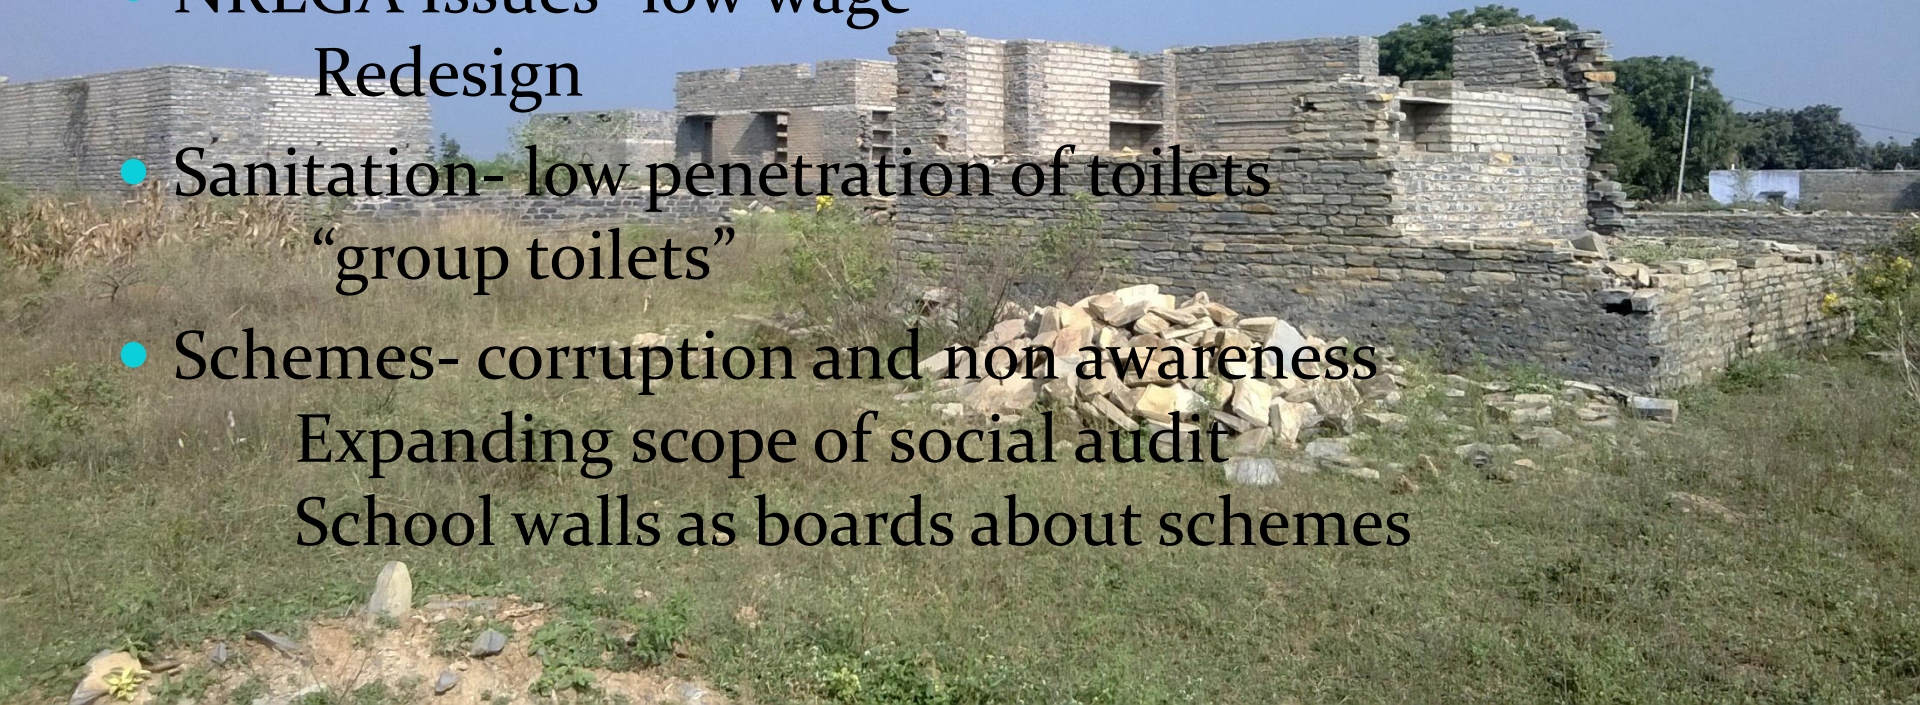

Panchayati Raj

- No elections since the past two years
- 10 wards, woman sarpanch
- Almost non functional due to paucity of funds

Issues And Emerged Solutions

- Water Scarcity in Agriculture
Wetland Conservation
Mini Lift
- NREGA Issues- low wage
Redesign
- Sanitation- low penetration of toilets
“group toilets”
- Schemes- corruption and non awareness
Expanding scope of social audit
School walls as boards about schemes

Thank You
