- ❖ Pre-conceived notion of us as Officer-Trainee

A group of white egrets are captured in various poses within a natural, marshy environment. The background is filled with tall, dense green grass. The foreground consists of a muddy, brownish ground with some shallow water. Five egrets are visible: one in the upper left with wings partially spread, one in the upper center with wings fully extended in flight, one in the lower left with wings spread wide, one in the lower center with wings partially spread, and one in the lower right standing with its head turned. The text "THANK YOU" is centered in the middle of the image.

THANK YOU
