Success Stories - Testimonials

“ Hello everyone, my name is Vishwanath Tata. I have completed B. Tech in 2017. After completing B Tech., one of my friends referred the Nirmaan Skill Center. I joined here for Android App Development course for 3 months. Through the training I learnt Android. During the training I got placed in HEXAGON Capability Center India Pvt Ltd as a Software Trainee with a salary of 40,000 CTC. This training not only helped me to get this job but also taught me Discipline and Punctuality. Thanks to the team.”
