

Outline for presentation of Group Work at Kevadia

1. Officer Trainees have been divided into five groups to work on Five thematic areas.
 - a. Agriculture & Rural Transformation
 - b. Jobs, Skills and Employment
 - c. Wellbeing & Health
 - d. Sustainable Resource Management
 - e. Inclusive urbanization
2. The focus of group work is solving emerging problems/ challenges by applying exponential technologies and innovative methods.
3. The expected output of group work is a document of 10-15 pages which is well researched and properly referenced based on which a final presentation will be made on 31st October 2019.
4. The duration of presentation will be approximately for 10 minutes for each group.
5. The following template is suggested for all groups for uniformity in content. Ten slides of which five should emphasizing suggestions/ solutions based on analysis.
 - a. Slide 1- Introduction
 - b. Slide 2- Current challenges
 - c. Slide 3& 4 Gap analysis
 - d. Slide 5- Global and local best practices (location marked on a map)
 - e. Slide 6-10 Group recommendations / solutions
6. Infographics/ maps/ photo collage/ short video clips may be used to convey message rather than using sentences. No slide to contain more than 5 lines
7. Each theme can design a background which depicts the theme.
8. Within each theme subthemes can be earmarked. (For SRM we earmarked. Water, Energy, Land & Forest and Climate change & Environment)
