

ASSESSMENT AND EXAMINATIONS

The Foundation Course aims at enhancing professional knowledge, providing job oriented skills, inculcating esprit de corps and building appropriate attitudes and values. We try to achieve these objectives through a harmonious blend of academic inputs and non - academic activities. We expect the course will help the officer trainee not only to acquire more knowledge and professional skills, but also to imbibe officer like qualities and understand the administrative environment. Regular evaluation of these qualities would form part of our duties. We do not intend to burden you with heavy end of course examinations, but would prefer to test you as you go along the course through examinations and also observation and interaction.

The overall breakup of evaluation is as follows:

Director General's Assessment	: 100 marks
