- Social Safety Net
- Upholding DPSP and FR

# STAKE HOLDERS

- Government
- Civil Society
- Corporate Sector
- Parents
- Academic Institutions
- NGOs CBOs Vos
- Media
- Law Enforcement Officers and Judiciary
- Medical Professionals

# PUBLIC POLICY ISSUES

- Survival, Health and Nutrition
- Education and Development
- Protection
- Participation

# MERITS

- Umbrella policy
- Special mention of Gender Sensitivity
- Unites children beyond barriers
- Increasing the Gambit of Definition of “Children”
- Innovative concept of Child budgeting

# AREAS OF IMPROVEMENT

- Inconsistent definition of “Children”
- Lack of Allocation of Financial Resources
- Lapses in Accountability
- Review period – Too Long
- No Time bound goals
- Clarity missing in “Child as a Stake Holder”
- No operational guidelines

# IMPLEMENTATION ISSUES

- Improper census data
- Lack of Co-ordination among various departments
- Resistance to change by beneficiaries
- Lack of Publicity for the policy
- Lack of Political Will

# WAY FORWARD

- Feedback mechanism – CDR on the lines of HDR
- Avoid Duplication in the form of NCAG
- Healthy and informal education shouldn't be an exception
- Juvenile delinquency to be dealt with
- Due GDP allocation in enforcing
