# Overview

- ❖ Wadapally, formerly known as Wazeerabad, located at confluence of Krishna and Musi rivers along the Telangana-Andhra Pradesh border is a village standing at the cusp of transition between a village and a town.
- ❖ Connectivity- Roads, Railways, Internet, Mobile, Post Office.
- ❖ Village is situated 59 km south to the district Nalgonda.
- ❖ This village is the largest cement producer in the area due to the presence of Limestone in the neighbouring Guntur district of Andhra Pradesh. The India Cement Mill, established in 1980s proved to be the major driving force behind the development of this village.
- ❖ Major Occupation- Daily wage / Contract labour, Self Employment, Agriculture(27%) and Fisheries
- ❖ Major Crops- Paddy, Cotton and Chillies
