# SCHEMES

## 1. RYTHU BANDHU-

- The scheme was implemented in 2018.
- The scheme offers a financial help of ₹10,000 per year to each farmer (two crops).
- There is no cap on the number of acres.

### Coverage-

- Under this scheme 1028 landholders of Solakpalle are getting benefits in 2023-24.

### Impact-

- Farmers are getting timely payments therefore their reliance on unsecured loans for farming activities has come down.

## 2. RYTHU BIMA SCHEME

- ◉ **Eligibility:** Farmers in the state of Telangana are eligible to apply for the Rythu Bima Scheme.
- ◉ **Implementation:** The scheme is implemented by the Department of Agriculture, Government of Telangana
- ◉ **Premium:** The premium for the scheme is 2% of the sum insured for non-loanee farmers and 1% of the sum insured for loanee farmers. The government of Telangana provides a subsidy of 75% of the total premium amount for all farmers.
- ◉ **Sum insured:** The sum insured under the scheme is based on the value of the crop and the area cultivated. The minimum sum insured is Rs. 5,000 per acre, and the maximum sum insured is Rs. 1,50,000 per acre.
- ◉ **Coverage:** The Rythu Bima Scheme covers crops such as paddy, cotton, maize, chilies, turmeric, and other vegetables and fruits.
- ◉ **Claims:** In case of crop damage, the farmer can claim compensation equal to the sum insured. The claim process is simple, and the payment is made directly to the farmer's bank account
- ◉ **The farmer's Group Life Insurance Scheme** ensures financial security and relief to the bereaved members of the farmer's family. Farmers in the age group of 18 to 59 years are eligible for enrollment under the scheme. The entire premium is paid by the government to the Life Insurance Corporation of India. In the event of the death of the enrolled farmer due to any cause including natural death, the insured amount of 5.00 Lakhs (INR) is deposited into the designated nominee account within (10) days.
- ◉ 9 claims of **The farmer's Group Life Insurance Scheme** has been settled in 2022-2023
