# DEFINITION

- ▶ Integrity means the ability of an individual to remain consistent and committed to his/her personal and professional values.
- ▶ In Latin, Integer means “whole”

# CHARACTERISTICS OF PERSONAL INTEGRITY

- ▶ A strong held sense of honesty, openness & inclusiveness
- ▶ Stick to ones personal code of conduct
- ▶ Personal integrity takes courage and demands personal sacrifices
- ▶ When you live with integrity, you succeed

# AREAS TO ACT WITH INTEGRITY

Relationship with  
sub ordinates,  
colleagues and  
superiors

Attitude and  
behaviour towards  
money

Commitment  
towards business &  
work

# HONESTY

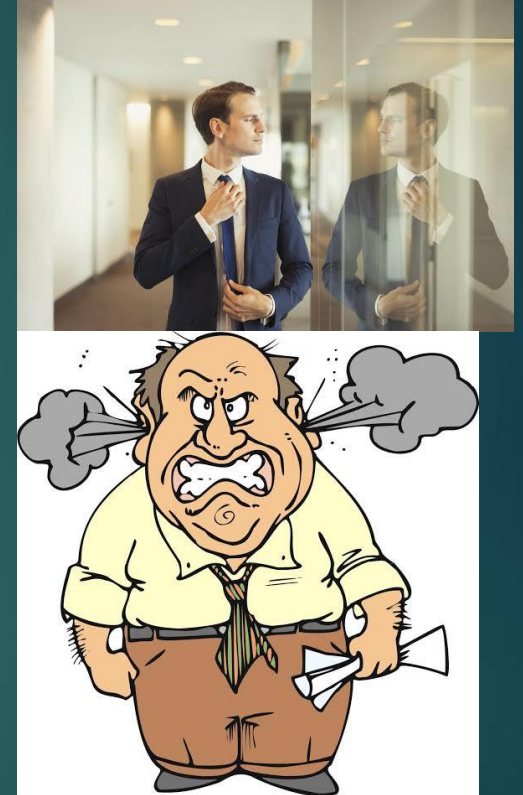

- ▶ Honest toward his work.
- ▶ Highly adaptable
- ▶ Great personality in terms of work ethics
- ▶ Extremely dedicated to his works
- ▶ Self motivated person

# OPENNESS & INCLUSIVENESS

- ▶ Alex is not very agreeable
- ▶ Difficult to work in a team
- ▶ Not gentle with colleagues
- ▶ Inability to forgive others.
- ▶ Short tempered and very much frustrated

# OTHER PERSONALITY TRAITS OF ALEX

- ▶ Lack of empathy
- ▶ Having anger issues
- ▶ Lacks in Inter-personal professionalism
- ▶ Money Motivated
- ▶ Does not have great leadership qualities.

# CONCLUSION

- ▶ Alex is workaholic but his personality towards others at the workplace is very negative
- ▶ His conscientiousness & extraversion is high but his agreeableness & openness is low
- ▶ He is highly adaptable & dedicated but he is unable to work in a team

Based on the above observations, Alex can't be said to have personal integrity.

However, if he works on his leadership abilities, interpersonal professionalism & anger management he could be a good asset to the company.
