Presented By: Group 1
Aayush Kumar Singh, M01
Ajeet Pratap Singh, M06
Avneesh Yadav, M11
D Nagendra Balaji, M16
Jamuna Prasad Bahuguna, M21

What is Digital Transformation?

Digital transformation is **the process of using digital technologies to create new — or modify existing — procedures, culture, and customer experiences to meet changing environment and market requirements.** This reimagining of procedures in the digital age for better delivery of services is digital transformation.

**DIGITAL
TRANSFORMATIONS**

**Online Complaint
Management System**
