ACTIVE SCHEMES

Schemes- SBM, MGNREGS, FPS,
Pensions, MISSION
BHAGIRATHA, PPV, TKHH

SWACHH BHARAT ABHIYAN

- ❑ No. of Households: 332
- ❑ No. of IHHL sanctioned: 298
- ❑ No. of IHHL completed: 298
- ❑ No. of IHHL balance: 0
- ❑ IHHL – Independent Household Latrine

MGNREGS

- ❑ No. of Job cards: 329
- ❑ No. of groups: 14
- ❑ No. of wage seekers: 774
- ❑ *Nrega Job Card* is a key document that records workers' entitlements under the scheme. It empowers the registered households to apply for work. The Job Card tells the complete details of the individuals who are registered with the local gram panchayat under the scheme. It also acts as an identity card of the individual as it contains details of the NREGA-registered individuals (such as name, NREGA registration number, details of applicants in the household, etc.) and also serves as documentary proof of the worker's entitlements.
- ❑ A wage seeker and his family members can register under this scheme by submitting an application at the Gram Panchayat. A register maintained at the gram panchayat will be sent to the Mandal Computer Centre (MCC) for entry of the wage seeking household information. The MCC allocates a Jobcard ID that is an 18-digit identification number consisting of 14-digit habitation code (District, Assembly, Mandal, Gram Panchayat, Village and Habitation) and a 4-digit household running serial number. **A Job card shall be generated for each household** and handed over to the Gram Panchayat.

TKHH- TELENGANA KU HARITHA HARAM

- ❑ A flagship programme of the Telangana Government
- ❑ Envisages to increase the present 24% tree cover in the State to 33% of the total geographical area envisaged by National Forest Policy of India
- ❑ The thrust areas to achieve the above are initiatives **in notified forest areas** & initiatives in areas **outside** the notified forest areas.
- ❑ The first objective is sought to be achieved by a multi-pronged approach of rejuvenating degraded forests, ensuring more effective protection of forests against smuggling, encroachment, fire, grazing and intensive soil and moisture conservation measures following the watershed approach.
- ❑ Major fillip is sought to be given to Social Forestry for achieving the second objective

PPV- PALLE PRAKRUTI VANAM

- ❑ Rural Nature Parks
- ❑ To provide the green environment and village parks in rural areas
- ❑ Land is cleared of garbage and pits are dug for planting **2000** saplings using man power under NREGS
- ❑ More focus on Ayurvedic saplings in near future
- ❑ Village parks would act as a lung space and would be developed into recreation spot for children and adults in the village
- ❑ Drawback: Situated far off from residential area, usually at the outskirts of the village, atleast 2 km away

MISSION BHAGIRATHA

- ❑ Tap to each Household
