# Action plan :

1. Proper drainage system need to be put in place.

2. Park area within 500 mts of habitation, will ensure proper usage.

3. Startegy adopted by the model village may be implemented in the nearby villages as a pilot project, to increase ODF villages.

4. Policy change in housing scheme

5. Third party authentication opportunity for single member household to ensure reach of all products.

6. Improving overall infrastructure at village level.
