**Q.2 Is Project preparation and submission are compulsory or optional?**  
**Ans:** Yes, it is compulsory to receive Certification from Adobe & Cognizant. The guidelines for project submission are shared in the telegram group. We encourage you to go through the 'Adobe Spark final project submission' document for complete details.

**Q.3 How can we increase video time above 20 or 30 minutes?**  
**Ans:** We can't have video more than 30 minutes in Adobe Spark. We will have to create multiple videos. Try to split your topic into smaller chunks in a video. If not we can try joining videos with some mp4 cutter/joiner softwares.

**Q.4 How to send video to telegram app.**  
**Ans:** You need to publish your video and get the url.
