Socio-Economic Indicators : *Education... Contd*

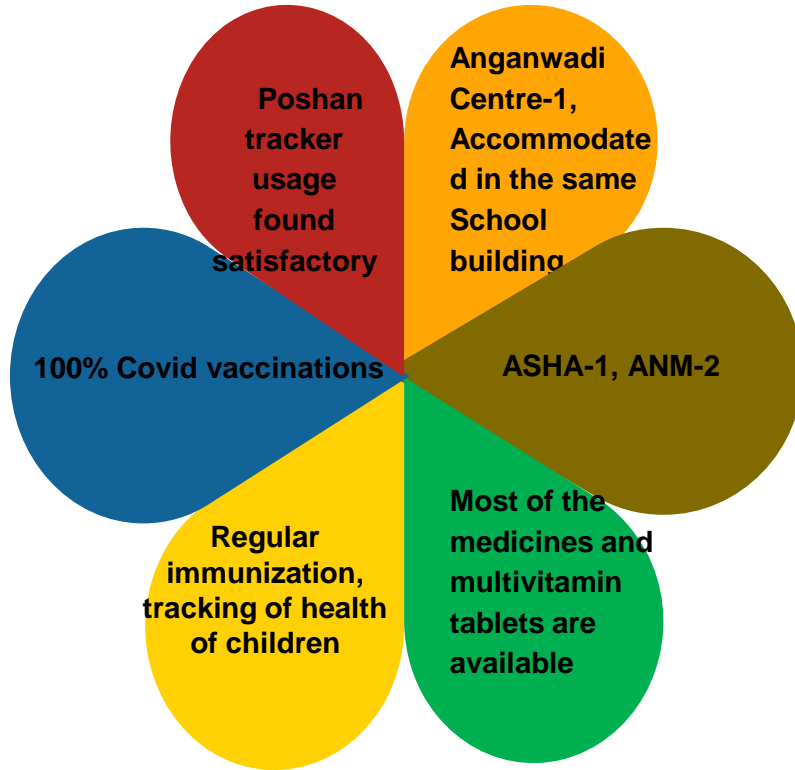

Issues

Recommendations

Socio-Economic Indicators : *Health*

Socio-Economic Indicators : Health Contd

Quality of Life : *Drinking Water*

- All households have tap Water through Mission Bhagiratha
- New tank has been constructed in 2020

Quality of Life : *Sanitation*

- Door to door garbage is collected everyday with the help of tractor and trolley
- Garbage is properly segregated at dumping ground

Quality of Life : *Sanitation Contd*

- The compost prepared from dumping ground is used for monkey feeding plantation
- Toilets: 100% families reported construction and usage of toilets

Crematorium

- Crematorium constructed in 2020 which has facilities like washrooms, solar lamps, water tank etc.
- All people use same crematorium irrespective of their caste or creed

Agriculture

- **Major crops:**

- ✓ *Paddy*
- ✓ *Maize*
- ✓ *Cotton*
- ✓ *Chilli*

- **Irrigation:**

- *Tubewells*
- *Wells*
- *Lakes*
- *Tanks*

- **Problems anticipated:**

- ❖ *Water scarcity*
- ❖ *Supply of labour for cultivation*
- ❖ *Soil degradation due to flood irrigation*

- **Recommendations:**

- *Cultivation of Paddy only for Kharif*
- *For Rabi crops shifting to Maize, Groundnut, Millets, Sunflower etc*

Flagship Schemes for Rural Development

Mission Kakatiya

Haritha Haram

Palle Prakruti

Rythu Bandhu

- Desilting and reclamation of tanks for agriculture irrigation
- Two lakes

- Increase tree cover to 33%
- Developing nursery & plantations

- For inclusive rural development
- To improve greenery and cleanliness

- Agriculture Support scheme
- Grant of Rs 5000 Rs per acre per person per season

SHG Meeting

- 100% households linked to SHG
- Most of the women successfully got the loans and repaid back
- Total 14 SHG groups are functional
- Regular meetings are held and issues are being solved
- Issue
 - ❖ SHG groups don't have building or community hall of their own and are using Gram Panchayat building for their meetings
- Actions taken from group
 - ❖ During debriefing with District Collector, matter was highlighted

Poverty Alleviation Programmes

- Social Assistance Programmes:
 - No of Aasara pensions: 73
- MGNREGA: Mostly during Summer season
MGNREGA activities are undertaken
 - No of Job cards: 175

 - No of Food Security Cards: 168
 - Only Rice is provided

Achievements of Kannaraopet

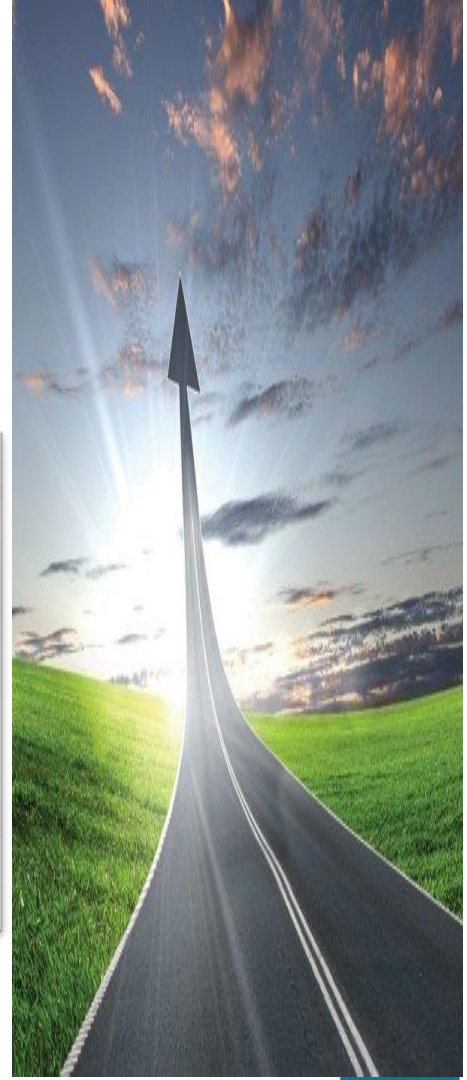

Sanitation Improvement

- Open Defecation Free (ODF) Village in 2017

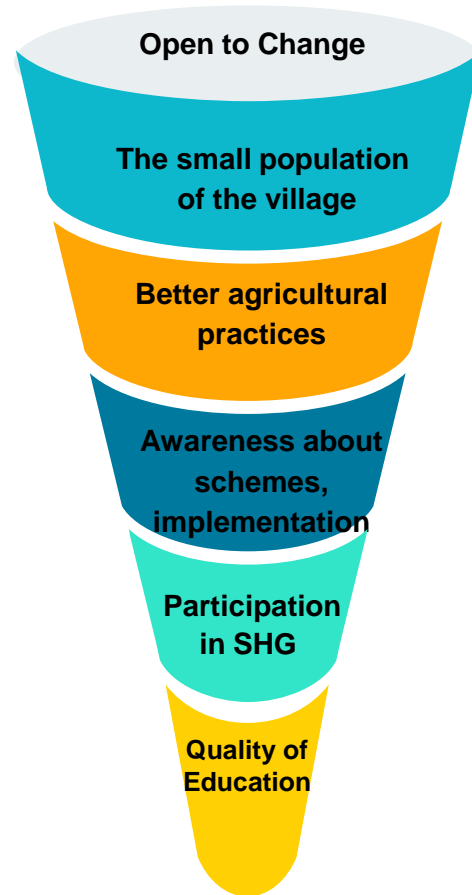

Awards

- Telangana Haritha Mitra Award for implementation of Haritha Haram Scheme in 2017

Conclusion : *Strengths*

Conclusion : *Weaknesses, Opportunities & Threats*

Weaknesses:

- Poor connectivity
- Low livestock population and hence complete reliance on farming
- Absence of local crafts that can be commercialised

Threats:

- Out-migration of educated youth due to Pull Factors
- Shortage of workforce

Opportunities:

- Convergence with skill development would be helpful to the SHGs.
- Diversification of crops
- Local youth can be given training in tailoring and other activities
- Mechanised cultivation and harvesting
- Farm based commercial activities like Rice mill etc
- Animal husbandry, poultry farming

Thank You
